

## FOR PARENTS/GUARDIANS

### Expectations for the Club Guidelines

Our Commitment to Safety is realized every day as the Boys & Girls Club creates safe, fun environments where kids can pursue academic success, good character and citizenship, and healthy lifestyles – all under the guidance of caring, trained, trustworthy adult leaders. The **COVID-19 is extremely contagious** and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and other preventative measures. Boys & Girls Clubs of Hawaii (“Club”) has put in place preventative measures to reduce the spread of COVID-19. The following are the expectations of the club member and parent to abide by in keeping these preventative measures in place to keep everyone safe.

Parents are asked to support the Club in providing a safe space for our members and staff by informing the Club of any changes to their child’s health or community exposure. If a child exhibits any symptoms of fever, runny nose, coughing, or shortness of breath, parents are asked to keep them home until their symptoms have subsided for 120 hours without the assistance of medication or consult with primary care physician. Parents are expected to answer a verbal health questionnaire daily upon drop-off and authorize the Club or its representatives to administer a daily temperature check on their child prior to admission into the program.

Upon enrollment, parents will be asked to undergo an onboarding session and will also be asked to review our “Club Member and Parent Expectation Guide” with their children and reinforce the importance of compliance and safety. If failure to comply, your child will be removed from the program.

Upon Arrival to the Club, we ask the parent/guardian to remain outside and in the car and have the club member walk to the entrance. Remain on site until your child has completed the wellness screening. Your child will be expected to arrive with the following:

- Wearing a face mask/covering at all times, unless eating or drinking – **REQUIRED**
- Provide a package lunch and personal water bottle. Snack shop, water dispenser, & sharing of food/drinks or access to kitchen facility to heat up food will **NOT** be allowed.
- Wellness Screening Daily. Answer health questionnaire and receive a temperature check. If your child does not pass the wellness screening, your child will need to leave the Club.
- Sanitize/wash hands upon entering and exiting the facility, and throughout the day.
- Physical/Social distancing is Required. Keep a safe distance of 6 feet from the next person. Club members are to keep hands, feet and personal items to themselves at all times. Our local culture embraces the spirit of Aloha, however, we are to use air hugs, air high-fives, and shakas.
- Follow all the Club rules to create a safe and fun environment.
- If your child is sick or not feeling well, your child must stay home.
- Will attend the Club a minimum of 3x a week, if not, the child will be removed for another on the wait list.
